

business **MATTERS**

Drop in sessions for food and drink businesses

The Environmental Health and Economic Development teams are working together to offer [drop-in sessions](#) on **Mondays 13 & 20 of January and 3rd of February 2025** in Matlock Town Hall between 10am and 12pm (noon). Any type of business is welcome to attend for advice and guidance regarding any aspect of food hygiene/health and safety related matters or for business advice. Further information [here](#).

Selling for Non-Sales People

6th February, 9.30am – 4.30pm, Chesterfield

Learn about how a ‘sales support person’, usually involved in the implementation or delivery of a product or service, can have significant influence on the present and future business from a client. Book your place [here](#). Other courses available can be viewed [here](#).

New funding for the auto sector

Up to £200,000 funded support is available for automotive innovators in 2025. This pilot programme offers packages of support from HVM Catapult centres for UK companies on the start-up to scale-up journey. This pilot will run from March to September 2025. More details can be found [here](#).
